Living with her husband, Monty, on their beautiful Solvang horse farm has given sculptor Pat Roberts, above, the opportunity to study the subject she loves best: the horse in motion.

#### OPENING RECEPTION FOR "BRONZE & BRUSH"

An artists' reception for a new exhibit titled "Bronze & Brush: The Spirit of Rural Valley Life," will be held from 6 to 9 tonight at the Elverhoj Museum of History and Art in Solvang. Refreshments will be served and there is no charge for admission.
